# **Disclaimer and Known Limitations**

## **Please Read Carefully**

This report provides an assessment of the factory machines, detailing warranty status, maintenance issues, and repair efforts. It is essential to understand the scope and limitations of this assessment:

- Our maintenance database is updated every 3 hours. Recent issues may not be reflected.
- The issues introduced by sub-components do not consider overridden versions.
- You do not always require full repair to mitigate the issues reflected in the report.
- Machines with N/A dates include equipment run by external contractors or not yet covered.
- This service is still in BETA, which means that we cannot guarantee 99.5% availability.

Should you encounter any issues or anomalies in this report not listed above, we strongly encourage you to contact our support team for a detailed review and assistance during business hours.
